

OFFICE OF THE GENERAL COUNSEL  
Division of Operations-Management

MEMORANDUM OM 87-65

24 September 1987

TO: All Regional Directors, Officers-in-Charge,  
and Resident Officers

FROM: Joseph E. DeSio, Associate General Counsel

SUBJECT: Board Orders in Objections and Challenged Ballot  
Cases when no Exceptions are Filed

In GC Memorandum 83-3 dated June 25, 1983, the Regions were informed that from time to time Regional Directors' or Hearing Officers' Reports on Objections and/or Challenged Ballots which are to be adopted pro forma in the absence of timely exceptions are either not received in Washington or do not reach the Office of the Executive Secretary so that no order adopting the report is issued. To avoid such situations, the Regions were advised that inquiry should be made of the Executive Secretary's Office in any case where a pro forma Order that is due to issue has not issued within 2 weeks following the due date for filing exceptions.

The Executive Secretary has advised us that notwithstanding GC Memorandum 83-3 such inquiry has not always been made. Accordingly, please ensure that the requirements of that memorandum are observed in appropriate cases.
